

Word Study Unit C1

The spelling focus of this unit will be understanding how to apply more Greek and Latin prefixes to base words. With the prefixes listed below we will also be learning how these prefixes change the meaning of the base words. There are many prefixes listed. Due to the number of prefixes we will be learning, the 'spelling' part of our test will only use words from this document. Students will be introduced to many more word that use these prefixes during class word study lessons.

The grammar focus of this unit will be ordering adjectives and introducing prepositional phrases
